

Greetings from your WM team,

We're honored to help you and your neighbors keep our community clean and green. This 2025 Service Guide contains your every-other-week recycling collection schedule and tips to help you recycle right. See the inside panel to learn what materials are acceptable to recycle and remember - don't bag your recyclables. Place them loose in your recycling cart.

Please keep this Guide handy.

Please help our drivers work safely and efficiently by placing your recycling cart properly at the curb.

Remember to place your cart at least 3 feet away from any obstacles (trees, cars, mailboxes, etc.) to allow the automatic arm to lift and empty the cart. The wheels of the cart should face the house. In inclement weather, please do not place your carts on top of snowbanks.

Great things happen when communities Recycle Right®. When individuals recycle everyday items like those shown below, tons of raw materials, time, energy and money are saved. Plus, the recycled materials become new products, and the cycle continues.

- Empty recyclable materials directly into your recycling cart don't bag recyclables
- Containers that held food should be rinsed and free of food debris
